

# Rockford Orthopedic Associates' Physician Assistant Rotation Program

Rockford Orthopedic is a thriving sub-specialty musculoskeletal physician-owned practice utilizing state-of-the-art digital diagnostic, PACs, EMR, on-site rehabilitation center and ambulatory surgery center. The practice services the northern Illinois market from Rockford, Illinois, just one hour northwest of Chicago.

- 17 Surgeons and 8 physicians specializing in:

*Orthopedics*

- Joint Replacement
- Sports Medicine
- Upper extremity
- Pediatric orthopedics
- Spine
- Trauma

*Podiatric Surgery*

*Rheumatology*

*Physical Medicine & Rehabilitation*

*Occupational Medicine*

- 11 Physician Assistants
- Rush University Medical Center Residency Program training site
- 69,400 patient visits in 2009
- Associated with two local Level I Trauma Centers

We offer students an enriched experience with exposure to first assisting, hospital rounding, on call rotation, and office orthopedics.
