Anthony Sorkin, MD Named to 2010-2011 Best Doctors in America[®] List

ROCKFORD, IL September 16, 2011 ... **Anthony Sorkin, MD**, of Rockford Orthopedic Associates, Ltd. is listed as a Best Doctors in America[®] for orthopedic surgery 2010-2011 by Best Doctors, Inc. The list represents the top five percent of board-certified physicians in the United States as nominated in a survey of thousands of physicians asking the question, "If you or someone you know needed a physician or surgeon, to whom would you refer?" Only those physicians earning the consensus support of their peers as well as meet Best Doctors, Inc.'s additional qualification criteria are included on the list, which is released every two years.

Best Doctors, Inc. was founded by Harvard Medical School professors in 1989 and its peer review-based list has become a trusted and highly regarded resource for quality medical care.

Dr. Sorkin is fellowship-trained in trauma and reconstructive surgery. His practice is focused on orthopedic trauma, including pelvis and limb reconstruction. He serves as Co-Director, Orthopedic Trauma at Rockford Health System, Level I Trauma Center and OSF Saint Anthony Medical Center, Level I Trauma Center. Dr. Sorkin is actively involved in continuing medical education as Clinical Assistant Professor with Rush University Medical Center Residency Program as Site Director and Clinical Assistant Professor at the University of Illinois College of Medicine.

Rockford Orthopedic Associates, Ltd. serves the Northern Illinois region in multi-specialty orthopedics and offers a full range of orthopedic care including the specialties of podiatry, physical medicine and rehabilitation, and rheumatology. Rockford Orthopedic offers the ancillary services of physical therapy, prosthetics and orthotics, MRI, workers compensation and an out patient surgery center. #
