Anthony Sorkin, MD Co-Authors Chapter in Medical Reference Book for Orthopedic Surgeons

ROCKFORD, IL February 20, 2012 ... **Anthony Sorkin, MD**, of Rockford Orthopedic Associates, Ltd. has co-authored a chapter titled, "Subtrochanteric Fracture Varus Malalignment/Nonunion" in the comprehensive 2012 reference titled, Prevention and Management of Common Fracture Complications, published by Slack, Incorporated. The reference is dedicated entirely to the prevention and management of fracture complications and compiled of contributions from 45 orthopedic surgeons, each considered an expert on the topic covered in their section of the book.

Dr. Sorkin was designated as a Best Doctors in America for orthopedic surgery 2010-2012 by Best Doctors, Inc. He is fellowship-trained in trauma and reconstructive surgery and his practice is focused on orthopedic trauma, including pelvis and limb reconstruction. He serves as Co-Director, Orthopedic Trauma at Rockford Health System, Level I Trauma Center and OSF Saint Anthony Medical Center, Level I Trauma Center. Dr. Sorkin is actively involved in continuing medical education as Clinical Assistant Professor with Rush University Medical Center Residency Program as Site Director and Clinical Assistant Professor at the University of Illinois College of Medicine.

Rockford Orthopedic Associates, Ltd. serves the Northern Illinois region in multi-specialty orthopedics and offers a full range of orthopedic care including the specialities of podiatry, physical medicine and rehabilitation, and rheumatology. Rockford Orthopedic offers the ancillary services of physical therapy, prosthetics and orthotics, MRI, workers compensation and an out patient surgery center. #
