ROCKFORD, IL August 8, 2013 ... **Scott Trenhaile, MD**, of Rockford Orthopedic Associates, Ltd. presented three lectures and served as a laboratory director and faculty member at the 30th Annual San Diego Shoulder Institute's Course Meeting: Arthroscopy, Arthroplasty, Fractures in San Diego, California, June 12-15, 2013. The conference attracted over 700 shoulder surgeons from twenty different countries.

The San Diego Shoulder Institute exists to offer excellent educational opportunities for orthopedic physicians. The Institute's Course Meeting in San Diego is the capstone event for the organization. There, the best orthopedic surgeons from around the world gather to learn about the latest technological advances in shoulder care.

As a Board-Certified surgeon, Dr. Trenhaile's practice at Rockford Orthopedic Associates is focused on arthroscopic surgery of the shoulder, elbow, knee, and the treatment of sports or activity-related injuries. He serves as team physician for sports teams at the high school, college, and professional level, and as Clinical Assistant Professor and Adjunct Clinical Instructor for the University of Illinois College of Medicine, Rockford and Midwestern University, respectively.

Rockford Orthopedic Associates, Ltd. serves the Northern Illinois region in multi-specialty orthopedics and offers a full range of bone and joint care including the specialties of podiatry, physical medicine and rehabilitation, occupational health, and rheumatology. Rockford Orthopedic offers the ancillary services of physical therapy, MRI, and an out-patient surgery center. #
