Local Surgeon Selected to Teach Arthroscopic Technique at Medical Conference

ROCKFORD, IL June 15, 2009 ... **Scott W. Trenhaile, MD**, of Rockford Orthopedic Associates, Ltd. has been invited to speak at the 26th Annual San Diego Shoulder Institute (SDSI) meeting held in San Diego, California June 17-20, 2008. The SDSI's main focus is this annual four-day course to present the most recent technological advances in shoulder care to orthopaedic surgeons from national and international locales.

Dr. Trenhaile has been selected for his contribution to technique improvements and expertise in the highest level of surgical shoulder care to lead a workshop session on arthroscopic biceps tendonesis. As a Board-Certified surgeon, Dr. Trenhaile's practice at Rockford Orthopedic Associates is focused on arthroscopic surgery of the shoulder, elbow, knee, and the treatment of sports or activity-related injuries. He serves as team physician for sports teams at the high school, college, and professional level, and as Clinical Assistant Professor and Adjunct Clinical Instructor for the University of Illinois College of Medicine, Rockford and Midwestern University, respectively.

He has spoken at numerous lectures and authored textbook chapters and journal articles on shoulders and elbow surgery. Dr. Trenhaile is actively involved in the development of surgical technique and device advances.

Rockford Orthopedic Associates, Ltd. serves the Northern Illinois region in multi-specialty orthopedics and offers a full range of orthopedic care including the specialties of podiatry, physical medicine and rehabilitation, and rheumatology. Rockford Orthopedic offers the ancillary services of physical therapy, MRI, workers' compensation, and an out-patient surgery center. #
